

Consignment Guidelines

By Appt only 952-898-7653!

We sell everything on consignment every Thursday at 6pm at live auction.

Reserve prices are strongly discouraged and only allowed as an exception. Therefore there is an additional \$10 lot fee for each item with a reserve or minimum price set. All items will be brought up to sale and will be sold to the highest bidder. Our goal is to make you as much money as we can - so we don't like to sell things low. We are working only on a commission basis.

Commission schedule (this is set up to encourage high quality consignments):

\$0-\$19.99	50%
\$20 – 99.99	25%
\$100 – 200	20%
\$200 and up	10%

You will be contacted Friday after the auction to come pick up items that don't sell – they must be removed by Saturday at 4pm or they will be donated. Checks are available the following Thursday for pick up or will be mailed on Monday. You will receive a settlement statement with your check that details your items sold.

Please call first 952-898-7653 - we can not store items for you if we are full that week. Absolutely No drop offs on Thursday. We do have the right to refuse any deliveries.

All items must be clean, in good saleable condition, preferably w/batteries to demonstrate functionality- and no previous price tags! Unique items that are vintage or antique sell best. List of items we do not take:

- Broken glass ware, ceramics, and picture frames
- Holiday items are only taken with prior approval and must be in working condition and complete.
- Garage Sale and estate sale leftovers- please donate
- Guns & Firearms- exceptions: ammo, accessories, and antique guns
